Exceeding a Goal with Faith and Smiles

...a CBO story

Intercultural Chapel, a Native American mission, participated in Christ's Birthday Observance along with a local Christian Women Connection group at First Church of God in Scottsbluff, Nebraska in which Louise Deines and I are members.

"You should have seen the big smile on her face. This is a first!"

We had a goal of \$300.00 for two years, but this year a new member suggested that we set our goal for \$400.00. We all looked at each other and grinned, wondering in our hearts if this is really possible?

A Lakota grandmother at Intercultural Chapel, who loves Jesus, received a monetary gift from a woman whose mother she used to care for. During Advent, we had not reached our CBO goal of \$400.00. After the first of the year, the grandmother brought us the \$100.00 so that we could reach our goal. You should have seen the big smile on her face. This is a first!

Christian  Women
connection

An unexpected gift, from an unexpected blessing, was used to top off our CBO offering, due to someone's faith in God and faithful service to an elderly woman in years gone.
