

Women's Ministry Survey

Women need women. Women are relational beings who need empathy, wisdom and the friendship of other women. Women look to other women to help us understand and shape our lives. Women desire an opportunity to come together and desperately need an environment to share struggles, laugh, cry and learn where we feel lifted, understood, and renewed!

We want to meet these needs for you.

Would you be interested in being part of a women's ministry? Yes No
